EVENTS TRANSPORT POLICY

- Transport is provided for families in need, who do not have a car or who would otherwise find it difficult, or not be able to come to our events.
- There is a nominal charge of £4 to and from events, payable in advance, to the Transport Coordinator.
- To book your place on transport, please complete the relevant section on the other side (front) of this form.
- When transport has been booked by the Transport Coordinator, each family will receive a text or telephone call, 1-2 days before the event, informing them of the estimated time of arrival and mode of transport.
- It is our policy that families travel no longer than 1 hour, in order to avoid stressful situations for the children.
- We realise changes can happen at any time, including the last minute, so if you need to cancel your transport booking, please contact the Transport Co-ordinator either via text or telephone call, by 3pm the day before. This is to ensure minimal disruption or inconvenience the other families.
